

GIT AND GITHUB

AUTHOR: ALEX LAFROSCIA

GIT: TOPICS

1. What is Git?

2. Why do we want to use Git?

3. How do we use Git?

WHAT IS GIT?

VERSION CONTROL

WHY DO WE WANT TO USE GIT?

- » Safely make change
- » Multiple versions of the same code
- » Rewind to old versions of your project
- » Easier collaboration

GITHUB

- » Easily collaborate on projects
- » Check out open source projects
